

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Hamlin merchants want your Christmas business this year. There have been times in the past when I wondered if they did or not, but this year they are going out of their way to make shopping in Hamlin worth your time and effort.

Not only are they stocking up their stores with Christmas merchandise but they have come up with a very attractive promotional program called the "Wonderful World of Christmas." This program will include three big drawings for free merchandise and three big Treasure Hunts.

The details of these programs and the list of merchants taking part can be found elsewhere in this issue of the Herald.

But the important thing is that they are trying hard to meet your needs for Christmas giving and I hope that each of you will give them a chance. Why not look around here before you make that trip off to the big city and fight the crowds and traffic.

All you basketball fans should be able to get your fill of round ball games this weekend at the annual Hamlin tourney. There will be 12 boys games and 12 girls games played in the three days and there will be some pretty good teams on hand.

Of course you football fans who are not ready to quit that sport just yet will have a conflict on your hands with Eastland and Childress playing in Abilene Friday.

With the announcement that Gov. Preston Smith will seek re-election, Texas political action picked up last week. The only major statewide questions still to be resolved are which office will Ralph Yarborough seek and will George Bush come home to be the Republican candidate for governor.

I personally think Gov. Smith would have been better off saving his \$1000 filing fee. Unless Yarborough chooses to run for governor, it would appear at this time the race for governor will come down between Ben Barnes and Dolph Briscoe. I might be wrong but I think Gov. Smith would come in a poor third.

State Sen. Wayne Connally of Floresville has announced he will be a candidate for Lt. Governor and he should be a hard man to beat.

Getting closer to home, Sen. David Ratliff has announced that he will seek the State Representative seat in the new District 61, composed of Jones, Fisher, Nolan, Mitchell and part of Taylor Counties.

It caused some excitement when Sen. Ratliff announced for the House instead of seeking re-election for the Senate, but it appears he was another victim of the re-districting. A part of his old district was put in with the district now served by Jack Hightower of Wichita Falls. The problem for Ratliff was that only about one-third of the new district was his and the other two-thirds was Hightower's.

It is likely that Ratliff will again seek the Senate seat when times appear more favorable to him.

Our two present representatives, Frank Calhoun and Grant Jones, have announced for office. Calhoun will seek the House seat in the new city of Abilene district No. 62. Jones will ask election as senator for the newly defined 24th Senatorial District which runs from Abilene to Waco. Tom Moore Jr. of Waco has already announced for this seat too.

As seems traditional, not much action is taking place in Jones County in the way of politics. It seems strange but there are some counties that always seem to have hot races for every elected office, while other counties never seem to develop much action. Jones County is usually one of the latter.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(November 30, 1928)

The people of Hamlin have been watching the completion of the Harden Building on lower Central Avenue. They have seen the lower part finished and occupied by an up-to-the minute service station.

Now the upper story which is finished into fourteen handsome rooms, is to be opened for the public to occupy.

The building is fire proof. It has been finished complete as materials could make it. There are 14 rooms all with separate bath. Each room has a ceiling fan and gas heat. In the construction comfort was the main idea. Mr. Osborne is very hopeful of bigger things for Hamlin.

Doesn't a new building add much to the appearance of a business space? That's what we mean to say about the beautiful new brick building just finished this week for the M. P. May Furniture Company. Mr. May has moved into it and his stock looks mighty good. Besides this new building the other vacant lots are having pavement laid in front of them and the whole outlook is greatly improved.

This year has been a great building year for Hamlin, just as the Herald ventured to say on January 1st. The business section has not built as fast as the residential but probably did not need to as much.

Compliments to Mr. May. Exactly \$175 was raised at a box supper held last Friday night at the Dovie School House. A mammoth crowd was present, including some score or more of business men and women from Hamlin. The proceeds of the night's program will go to buying play-ground equipment for the school, which material is badly needed.

The boxes brought from \$3.00 to \$10.50, all going at a good figure, the bidding being led by the delegation from Hamlin. The bunch were barred from the bidding on some of the boxes in order to give the people of the community a chance to buy some of them.

TWENTY YEARS AGO
(November 30, 1961)

Climaxing a parade in which practically every organization of the city will participate, Hamlin will turn on the lights of its first Christmas tree Monday afternoon officially ushering the Yuletide season.

A 25 foot fir tree has been obtained from the George W. Poe Sr. farm southeast of the city and it will be placed on the Santa Fe Lot, opposite the Harden Hotel under the direction of Dr. J. W. McCrary, committee chairman, for colorful decoration and lighting effects.

Churches of the city are cooperating in the observance to officially open the Yuletide season, and Central Avenue is expected to be crowded all day. It is believed that it will be the largest parade in the entire

history of the city.

A building to house a grease and washing rack is being completed adjoining Ray Huling's Rock Service Station at the intersection of Central Avenue and Lake View Drive.

The property is owned by E. C. Feagan, and the new expansion will cost approximately \$5,000.

Huling has operated the station for six years.

Homemaking Department of The DePriest School sponsored a style show and box supper Friday night.

Appropriate apparel for school was modeled by the girls of the department. These garments were made by the girls in their homemaking classes under the direction of Mrs. E. F. Ford.

School officials announce that a radio show and barbecue chicken dinner will be given at the school Wednesday night.

TEN YEARS AGO
(November 30, 1961)

Santa Claus will put in his appearance in Hamlin Saturday morning, according to the Hamlin Board of Community Development. His coming will be heralded by a big parade headed by the Hamlin High School band. He will be riding in his sleigh on a float built by the Hamlin Jaycees.

Several local organizations have indicated that they will have floats in the parade that will start at 10 a.m. Besides the High School band that will lead the parade, the Junior High band will also march.

Santa Clause will give candy to the children during the parade and will be downtown in the stores to talk to the children and pass out candy. He will make the rounds of the Hamlin stores each Saturday from now until Christmas so that everyone will have a chance to visit with him.

The floats in the parade will be judged and the top three will be awarded prizes.

Hamlin merchants have been busy for the past few weeks getting their stores ready for the Christmas season by decorating both inside and out and stocking up on the very latest Christmas merchandise.

The annual Stonewall County Livestock Show open to all 4-H and FFA members of Stonewall county, will be held on Saturday, January 6th, at the County 4-H Barn in Aspermont.

Tickets went on sale Monday for the annual Camp Fire Girls Chili Supper, which is being held in the high school cafeteria Friday evening. Serving will begin at 5 p.m. and continue until 8 p.m. All girls in Blue Birds and Camp Fire have been given tickets to sell and tickets may also be purchased at the door.

The annual Hamlin High School Basketball Tournament will be held here Thursday, Friday and Saturday, December 7-9, with both boys' and girls' teams entered in the double tourney according to Ed Farmer, basketball coach.

Neinda Philosopher Gets Ahead of Plan
To Finance Presidential Campaigns

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with an idea on political campaigns.

Dear editor:

At the moment I don't know what the final outcome will be, but Congress has been considering a bill to finance Presidential campaigns with tax money.

Like it is, as you know, Presidential candidates have to raise millions of dollars to finance their campaigns, and they get the money from private contributions.

I have never contributed any money to a candidate, but being a member of the human race, if I gave one a sizeable amount I'd probably have something else in mind other than seeing him elected. And if I were a candidate and got elected, it'd be mighty hard for me to forget who picked up the check. A man

doesn't give a loaded cigar to a banker who has just extended his loan.

So Congress has been trying to stop the practice. It's proposing that everybody designate one dollar on his income tax for financing Presidential campaigns. This would raise forty some odd million dollars, with say 20 million going to the Republicans, 20 million to the Democrats, and possibly 5 million to any third party. If a party accepted the money, it couldn't accept any private contributions.

This looks like a good idea except maybe to the big lobbyists, but I've got an added suggestion. Instead of taking just one dollar from your income tax, how about making it two and using the extra 40 million to pay some candidates not to run?

Some people might object to giving one dollar to help get

some candidates elected, but where's the man who doesn't know a candidate he wouldn't give two dollars not to run?

This is enough about politics. Out of a clear sky a man asked me the other day what I thought of mini-skirts. A mini-skirt is like a bicycle. It's all right in the summertime but it's pretty drafty in the wintertime.

Yours faithfully,
J. A.

CREATION...

ISN'T IT AMAZING
... Scientists say that there are no two snowflakes alike! How many snowflakes do you suppose there have been since the beginning of time? Billions? It staggers the imagination when one thinks of all the things that God has created from nothing.

Genesis, the first book in the bible means beginning. It tells of many of God's more major creations, and how He created all these things for the benefit of man. Attend church, study God's word and learn more of God's plan for man.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AUSTIN — Gov. Preston Smith's decision to run for a third term drew sharp new attention to an increasingly crowded and complex 1972 political scene.

Smith said he would seek re-election in stock-loan scandals. He plans to tell over and over "that he killed by veto" the bank deposit legislation urged by Houston banker Frank Sharp which the Legislature passed in 1969.

Meanwhile, former U. S. Sen. Ralph Yarborough said odds are now 10-to-one he will be a candidate — either for governor or the senate — next year. But he declined to indicate which race is most likely to attract him.

Old Glory

By Bernice D. White

Most folks in our community found that 1971 had brought much to be thankful for as we observed Thanksgiving Day last week, despite the fact that we have experienced an extreme drought and an extremely rainy spell both within this year. Maize is being combined now and some farmers have started stripping cotton.

The Old Glory Variety Club met Tuesday, Nov. 23, at 2 p.m. in the home of Mrs. Lynn Flowers. The group enjoyed a Thanksgiving Program consisting of songs and reading selections.

Mrs. Beno Herttenberger read the 23rd Psalm and gave the invocation. Mrs. E. H. Diers read Psalm 100 and Mrs. Charlie Letz read "Take Time." Mrs. Garrett Spitzer read "A Pledge for America." The Hostess directed quiz games and served refreshments to seven members.

The next meeting which will be the annual Christmas Party and exchange of gifts will be held in the home of Mrs. Charlie Letz on Tuesday, Dec. 14, at 2:00 p.m.

Thanksgiving Day visitors in the home of Mr. and Mrs. Lynn Flowers were Mr. and Mrs. C. K. Cook of Odessa, Mr. and Mrs. J. C. King of San Angelo, and Mrs. Flower's niece, Janis Macon of Springfield, Mass., who is a student at North Texas University in Denton.

Visitors in the home of Mr. and Mrs. J. C. Gholson last week included the Bob Coats family and the Clifford Gholson family, all of Wichita Falls.

Mr. and Mrs. Tim Jennings and children of Albuquerque spent the holiday weekend here with their parents, Mr. and Mrs. T. W. Jennings, and Mr. and Mrs. A. R. Sawyers.

Mr. and Mrs. Fred Burger of Stamford were dinner guests in the home of Mrs. Nora Offill Sunday evening.

Mr. and Mrs. Charles Diers and Kimberly of Sagerton spent Thanksgiving Day here with his parents, Mr. and Mrs. E. H. Diers.

Mrs. Ben Klump, Mrs. Tillie Dippel, Bernice and Judy White visited in Clyde last Saturday in the home of the Jack Powers family and also Mr. and Mrs. John Gordon.

Roy Wienke of Lubbock spent several days here last week visiting with his mother, Mrs. W. G. Wienke.

Mr. and Mrs. Danny Letz of Lubbock and Steve Letz of Abilene were here during the Thanksgiving holidays visiting in the home of Danny's and Steve's parents, Mr. and Mrs. Allen Letz.

Thanksgiving visitors in the home of Mr. and Mrs. Herbert Klump included Mr. and Mrs. Wesley Tabb and Janet of Houston, Mr. and Mrs. Pete Elliott and Mr. and Mrs. Bill Kolb and children, all of Arlington, also Mr. and Mrs. Allen Letz, Steve and Dale Lu.

College students home for the weekend included: Weldon Spitzer, Texas Tech, visiting with Mr. and Mrs. Garrett Spitzer; Reva and Regina Letz, Angelo State, visiting with Mr. and Mrs. Ed Letz; Linda

COURTS SPEAK — Texas Court of Criminal Appeals upheld a new law which allows those accused of crimes to waive rights to a grand jury indictment before trial in cases where the death penalty is not applicable.

In other recent cases the Court of Criminal Appeals held: That photographs of a bloody death scene are not automatically prohibited from consideration in murder trials. That a court is not to look beyond a bill as passed by the legislature to consider if the act creating a new trial court was duly submitted to a special

Four From Here Help Remodel Rio Grande Church

Four representatives from Central Baptist Church went to the Rio Grande last week to help with a remodeling project at the First Baptist Church at Fort Hancock. Two youth, Terry Neal and Frank Meyner, were accompanied by Bobby Scifres and the pastor, Rev. Harold Fleming.

The four went down Wednesday and returned home Saturday. They also carried a piano to the mission church at El Porvenir, Mexico.

Central Baptist Church became interested in the Fort Hancock church and the El Porvenir mission when they selected it for a mission trip during the summer. They conducted revivals and Bible School at both places.

Money for the piano was donated by a Paint Creek resident and the WMU of Cherry Heights Baptist Church in Clyde.

Materials which were taken for the remodeling were also donated.

CLYDE YOUTH CHOIR TO BE AT CENTRAL BAPTIST SUNDAY

The Youth Choir of Cherry Heights Baptist Church of Clyde will be here Sunday at the 6 p.m. worship service at Central Baptist Church and will present "Tell It Like It Is," under the direction of Mark Gilmore.

Stamford Electric Mails Out Capital Credit Refunds

A total of \$205,130.54 will be mailed to members and former members of Stamford Electric Cooperative, Inc., about the first of December, 1971, according to Charles W. Stenholm, Manager. All who were members in 1959 will be receiving Capital Credit Refund Checks.

The Capital Credits plan is one aspect of SEC's non-profit operation under which members agree that all amounts paid for service in excess of operation costs are furnished as capital. Each member invests in his cooperative in proportion to the amount of electricity that he used. Amounts thus invested and credited to member accounts are returned when the Cooperative's financial position permits.

The Board of Directors of SEC is charged with making decisions on finances and other policies of the cooperative. When the board of directors determines that the Cooperative has excess reserve funds, refunds to members are authorized. When refunds are authorized, they are made to the members whose capital have been used for the greatest length of time. With this year's refund, all members capital furnished from 1939 to 1959 will have been returned and the cooperative will be operating on capital furnished by members from 1960 to 1971.

"With the mailing of the 1959 retirement checks, this will make a total of \$1,363,255.27 thus refunded since the cooperative's organization in 1939," Stenholm said.

Twin sons were born to Mr. and Mrs. Able G. Flores of Anson Nov. 27, Rene, 6 lbs. 8 oz., and Noel, 5 lbs. 15 1/2 oz.

VETS PROTEST NEW SCHOOL — Creation of a new veterinary medical school at Texas Tech in Lubbock will contribute to an oversupply of veterinarians in the state, Texas Veterinary Medical Association stated.

TVMA said the money could be spent better in aiding medical professions which have a shortage of doctors. Vets educated in Texas are already having to go out of state to get jobs, the association argued.

SHORT SNORTS

A Democratic fund-raising reception here December 6 will cost \$1,000 per—to hob-nob with Sen. Hubert Humphrey and Congressman Wilbur Mills. A \$25-a-plate dinner follows.

State Republican leaders demanded removal of Secretary of State Bob Bullock.

Visitors in the home of Mr. and Mrs. Ben Maberry during the Thanksgiving Holidays were their daughter and family, Mr. and Mrs. Wendell Johnson of Tulsa, Okla., and Mrs. Maberry's niece and family, Mr. and Mrs. Lee Gatewood of Hobbs, N. Mex. Thanksgiving Day they all went to the home of a son, Johnny Maberry, at McCaulley for dinner. NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Hamlin merchants want your Christmas business this year. There have been times in the past when I wondered if they did or not, but this year they are going out of their way to make shopping in Hamlin worth your time and effort.

Not only are they stocking up their stores with Christmas merchandise but they have come up with a very attractive promotional program called the "Wonderful World of Christmas." This program will include three big drawings for free merchandise and three big Treasure Hunts.

The details of these programs and the list of merchants taking part can be found elsewhere in this issue of the Herald.

But the important thing is that they are trying hard to meet your needs for Christmas giving and I hope that each of you will give them a chance. Why not look around here before you make that trip off to the big city and fight the crowds and traffic.

All you basketball fans should be able to get your fill of round ball games this weekend at the annual Hamlin tourney. There will be 12 boys games and 12 girls games played in the three days and there will be some pretty good teams on hand.

Of course you football fans who are not ready to quit that sport just yet will have a conflict on your hands with Eastland and Childress playing in Abilene Friday.

With the announcement that Gov. Preston Smith will seek re-election, Texas political action picked up last week. The only major statewide questions still to be resolved are which office will Ralph Yarborough seek and will George Bush come home to be the Republican candidate for governor.

I personally think Gov. Smith would have been better off saving his \$1000 filing fee. Unless Yarborough chooses to run for governor, it would appear at this time the race for governor will come down between Ben Barnes and Dolph Briscoe. I might be wrong but I think Gov. Smith would come in a poor third.

State Sen. Wayne Connally of Floresville has announced he will be a candidate for Lt. Governor and he should be a hard man to beat.

Getting closer to home, Sen. David Ratliff has announced that he will seek the State Representative seat in the new District 61, composed of Jones, Fisher, Nolan, Mitchell and part of Taylor Counties.

It caused some excitement when Sen. Ratliff announced for the House instead of seeking re-election for the Senate, but it appears he was another victim of the re-districting. A part of his old district was put in with the district now served by Jack Hightower of Wichita Falls. The problem for Ratliff was that only about one-third of the new district was his and the other two-thirds was Hightower's.

It is likely that Ratliff will again seek the Senate seat when times appear more favorable to him.

Our two present representatives, Frank Calhoun and Grant Jones, have announced for office. Calhoun will seek the House seat in the new city of Abilene district No. 62. Jones will ask election as senator for the newly defined 24th Senatorial District which runs from Abilene to Waco. Tom Moore Jr. of Waco has already announced for this seat too.

As seems traditional, not much action is taking place in Jones County in the way of politics. It seems strange but there are some counties that always seem to have hot races for every elected office, while other counties never seem to develop much action. Jones County is usually one of the latter.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(November 30, 1928)

The people of Hamlin have been watching the completion of the Harden Building on lower Central Avenue. They have seen the lower part finished and occupied by an up-to-the minute service station.

Now the upper story which is finished into fourteen handsome rooms, is to be opened for the public to occupy.

The building is fire proof. It has been finished complete as materials could make it. There are 14 rooms all with separate bath. Each room has a ceiling fan and gas heat. In the construction comfort was the main idea. Mr. Osborne is very hopeful of bigger things for Hamlin.

Doesn't a new building add much to the appearance of a business space? That's what we mean to say about the beautiful new brick building just finished this week for the M. P. May Furniture Company. Mr. May has moved into it and his stock looks mighty good. Besides this new building the other vacant lots are having pavement laid in front of them and the whole outlook is greatly improved.

This year has been a great building year for Hamlin, just as the Herald ventured to say on January 1st. The business section has not built as fast as the residential but probably did not need to as much.

Compliments to Mr. May.

Exactly \$175 was raised at a box supper held last Friday night at the Dovie School House. A mammoth crowd was present, including some score or more of business men and women from Hamlin. The proceeds of the night's program will go to buying play-ground equipment for the school, which material is badly needed.

The boxes brought from \$3.00 to \$10.50, all going at a good figure, the bidding being led by the delegation from Hamlin. The bunch were barred from the bidding on some of the boxes in order to give the people of the community a chance to buy some of them.

TWENTY YEARS AGO
(November 30, 1961)

Climaxing a parade in which practically every organization of the city will participate, Hamlin will turn on the lights of its first Christmas tree Monday afternoon officially ushering the Yuletide season.

A 25 foot fir tree has been obtained from the George W. Poe Sr. farm southeast of the city and it will be placed on the Santa Fe Lot, opposite the Harden Hotel under the direction of Dr. J. W. McCrary, committee chairman, for colorful decoration and lighting effects.

Churches of the city are cooperating in the observance to officially open the Yuletide season, and Central Avenue is expected to be crowded all day. It is believed that it will be the largest parade in the entire

history of the city.

A building to house a grease and washing rack is being completed adjoining Ray Huling's Rock Service Station at the intersection of Central Avenue and Lake View Drive.

The property is owned by E. C. Feagan, and the new expansion will cost approximately \$5,000.

Huling has operated the station for six years.

Homemaking Department of The DePriest School sponsored a style show and box supper Friday night.

Appropriate apparel for school was modeled by the girls of the department. These garments were made by the girls in their homemaking classes under the direction of Mrs. E. F. Ford.

School officials announce that a radio show and barbecue chicken dinner will be given at the school Wednesday night.

TEN YEARS AGO
(November 30, 1961)

Santa Claus will put in his appearance in Hamlin Saturday morning, according to the Hamlin Board of Community Development. His coming will be heralded by a big parade headed by the Hamlin High School band. He will be riding in his sleigh on a float built by the Hamlin Jaycees.

Several local organizations have indicated that they will have floats in the parade that will start at 10 a.m. Besides the High School band that will lead the parade, the Junior High band will also march.

Santa Clause will give candy to the children during the parade and will be downtown in the stores to talk to the children and pass out candy. He will make the rounds of the Hamlin stores each Saturday from now until Christmas so that everyone will have a chance to visit with him.

The floats in the parade will be judged and the top three will be awarded prizes.

Hamlin merchants have been busy for the past few weeks getting their stores ready for the Christmas season by decorating both inside and out and stocking up on the very latest Christmas merchandise.

The annual Stonewall County Livestock Show open to all 4-H and FFA members of Stonewall county, will be held on Saturday, January 6th, at the County 4-H Barn in Aspermont.

Tickets went on sale Monday for the annual Camp Fire Girls Chili Supper, which is being held in the high school cafeteria Friday evening. Serving will begin at 5 p.m. and continue until 8 p.m. All girls in Blue Birds and Camp Fire have been given tickets to sell and tickets may also be purchased at the door.

The annual Hamlin High School Basketball Tournament will be held here Thursday, Friday and Saturday, December 7-9, with both boys' and girls' teams entered in the double tourney according to Ed Farmer, basketball coach.

Neinda Philosopher Gets Ahead of Plan
To Finance Presidential Campaigns

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with an idea on political campaigns.

Dear editor:

At the moment I don't know what the final outcome will be, but Congress has been considering a bill to finance Presidential campaigns with tax money.

Like it is, as you know, Presidential candidates have to raise millions of dollars to finance their campaigns, and they get the money from private contributions.

I have never contributed any money to a candidate, but being a member of the human race, if I gave one a sizeable amount I'd probably have something else in mind other than seeing him elected. And if I were a candidate and got elected, it'd be mighty hard for me to forget who picked up the check. A man

doesn't give a loaded cigar to a banker who has just extended his loan.

So Congress has been trying to stop the practice. It's proposing that everybody designate one dollar on his income tax for financing Presidential campaigns. This would raise forty some odd million dollars, with say 20 million going to the Republicans, 20 million to the Democrats, and possibly 5 million to any third party. If a party accepted the money, it couldn't accept any private contributions.

This looks like a good idea except maybe to the big lobbyists, but I've got an added suggestion. Instead of taking just one dollar from your income tax, how about making it two and using the extra 40 million to pay some candidates not to run?

Some people might object to giving one dollar to help get

some candidates elected, but where's the man who doesn't know a candidate he wouldn't give two dollars not to run?

This is enough about politics. Out of a clear sky a man asked me the other day what I thought of mini-skirts. A mini-skirt is like a bicycle. It's all right in the summertime but it's pretty drafty in the wintertime.

Yours faithfully,
J. A.

CREATION...

ISN'T IT AMAZING
... Scientists say that there are no two snowflakes alike!
How many snowflakes do you suppose there have been since the beginning of time?
Billions? It staggers the imagination when one thinks of all the things that God has created from nothing.
Genesis, the first book in the bible means beginning. It tells of many of God's more major creations, and how He created all these things for the benefit of man. Attend church, study God's word and learn more of God's plan for man.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AUSTIN — Gov. Preston Smith's decision to run for a third term drew sharp new attention to an increasingly crowded and complex 1972 political scene.

Smith said he would seek re-election in stock-loan scandals. He plans to tell "over and over" that he killed the bank deposit legislation urged by Houston banker Frank Sharp which the Legislature passed in 1969.

Meanwhile, former U. S. Sen. Ralph Yarborough said odds are now 10-to-one he will be a candidate — either for governor or the senate — next year. But he declined to indicate which race is most likely to attract him.

State Sen. Wayne Connally, youngest brother of U. S.

Secretary of Treasury (and former Governor) John B. Connally, jumped into the lieutenant governor's race. Connally is a conservative Democrat.

Harold (Barefoot) Sanders of Dallas reportedly is getting set to run for the U. S. Senate as a Democrat.

Sen. Joe Christie of El Paso indicated he will reveal at a dinner in his home town December 7 whether he will enter the lieutenant governor's race or stand for re-election.

Republicans, calling for a "top to bottom cleanup" in state government, began recruiting preliminaries, concentrating on the governor's race. (They already have a U. S. Senate candidate, incumbent John Tower).

The Republicans, in an in-

formal statewide poll of gubernatorial preferences, came up with S. Ross Perot, wealthy Dallas businessman, who is a political independent, as their favorite.

Lt. Gov. Ben Barnes and Dolph Briscoe, Uvalde rancher-banker, continued full-fledged campaigns for governor. Sen. Ralph Hall of Rockwall and Houston newspaper executive William P. Hobby Jr. have been in the lieutenant governor's race for months.

COURTS SPEAK — Texas Court of Criminal Appeals upheld a new law which allows those accused of crimes to waive rights to a grand jury indictment before trial in cases where the death penalty is not applicable.

In other recent cases the Court of Criminal Appeals held: That photographs of a bloody death scene are not automatically prohibited from consideration in murder trials. That a court is not to look beyond a bill as passed by the legislature to consider if the act creating a new trial court was duly submitted to a special

legislative session by the Governor.

COURT COST "SURTAX" PROFITABLE — Some 716 cities and the 254 counties collected \$335,348. 70 during September from a new "surtax" on court costs earmarked for improving criminal justice.

Comptroller Robert S. Calvert reported on first collections under the law. Money will meet state and local matching fund needs for federal grants under the Omnibus Crime Control Act.

The new law provides an additional court cost assessment of \$2.50 for a misdemeanor case conviction in a court where jurisdiction is limited to a \$200 maximum fine and specifically includes traffic violations. It also directs a \$5 additional charge on other misdemeanor convictions and \$10 for felony convictions, to be

collected as other fines or costs in cases.

VETS PROTEST NEW SCHOOL — Creation of a new veterinary medical school at Texas Tech in Lubbock will contribute to an oversupply of veterinarians in the state, Texas Veterinary Medical Association stated.

TVMA said the money could be spent better in aiding medical professions which have a shortage of doctors. Vets educated in Texas are already having to go out of state to get jobs, the association argued.

SHORT SNORTS

A Democratic fund-raising reception here December 6 will cost \$1,000 per — to hob-nob with Sen. Hubert Humphrey and Congressman Wilbur Mills. A \$25-a-plate dinner follows.

State Republican leaders demanded removal of Secretary of State Bob Bullock.

Bullock said he intends to stay. Texas Board of Mental Health and Mental Retardation delayed site selection for a new school for the mentally retarded in the Dallas-Fort Worth area. Fort Worth, Hillsboro, Cleburne, Waxahachie, Ennis and Mineral Wells offered locations.

Visitors in the home of Mr. and Mrs. Ben Maberry during the Thanksgiving Holidays were their daughter and family, Mr. and Mrs. Wendell Johnson of Tulsa, Okla., and Mrs. Maberry's niece and family, Mr. and Mrs. Lee Gatewood of Hobbs, N. Mex. Thanksgiving Day they all went to the home of a son, Johnny Maberry, at McCauley for dinner. Other guests included his daughter and husband, Mr. and Mrs. Ron McDermid, and Scotty of San Antonio.

NEWS FROM . . .

Old Glory

By Bernice D. White

Most folks in our community found that 1971 had brought much to be thankful for as we observed Thanksgiving Day last week, despite the fact that we have experienced an extreme drouth and an extremely rainy spell both within this year. Maize is being combined now and some farmers have started stripping cotton.

The Old Glory Variety Club met Tuesday, Nov. 23, at 2 p.m. in the home of Mrs. Lynn Flowers. The group enjoyed a "Thanksgiving Program" consisting of songs and reading selections.

Mrs. Beno Herttenberger read the 23rd Psalm and gave the invocation. Mrs. E. H. Diers read Psalm 100 and Mrs. Charlie Letz read "Take Time." Mrs. Garrett Spitzer read "A Pledge for America." The Hostess directed quiz games and served refreshments to seven members.

The next meeting which will be the annual Christmas Party and exchange of gifts will be held in the home of Mrs. Charlie Letz on Tuesday, Dec. 14, at 2:00 p.m.

Thanksgiving Day visitors in the home of Mr. and Mrs. Lynn Flowers were Mr. and Mrs. C. K. Cook of Odessa, Mr. and Mrs. J. C. King of San Angelo, and Mrs. Flower's niece, Janis Macon of Springfield, Mass., who is a student at North Texas University in Denton.

Visitors in the home of Mr. and Mrs. J. C. Gholson last week included the Bob Coats family and the Clifford Gholson family, all of Wichita Falls.

Stamford Electric Mails Out Capital Credit Refunds

A total of \$205,130.54 will be mailed to members and former members of Stamford Electric Cooperative, Inc., about the first of December, 1971, according to Charles W. Stenholm, Manager. All who were members in 1959 will be receiving Capital Credit Refund Checks.

The Capital Credits plan is one aspect of SEC's non-profit operation under which members agree that all amounts paid for service in excess of operation costs are furnished as capital. Each member invests in his cooperative in proportion to the amount of electricity that he used. Amounts thus invested and credited to member accounts are returned when the Cooperative's financial position permits.

The Board of Directors of SEC is charged with making decisions on finances and other policies of the cooperative. When the board of directors determines that the Cooperative has excess reserve funds, refunds to members are authorized. When refunds are authorized, they are made to the members whose capital have been used for the greatest length of time. With this year's refund, all members capital furnished from 1939 to 1959 will have been returned and the cooperative will be operating on capital furnished by members from 1960 to 1971.

"With the mailing of the 1959 retirement checks, this will make a total of \$1,363,255.27 thus refunded since the cooperative's organization in 1939," Stenholm said.

Twin sons were born to Mr. and Mrs. Able G. Flores of Anson Nov. 27, Rene, 6 lbs. 8 oz., and Noel, 5 lbs. 15 1/2 oz.

Four From Here Help Remodel Rio Grande Church

Four representatives from Central Baptist Church went to the Rio Grande last week to help with a remodeling project at the First Baptist Church at Fort Hancock. Two youth, Terry Neal and Frank Meyner, were accompanied by Bobby Scifres and the pastor, Rev. Harold Fleming.

The four went down Wednesday and returned home Saturday. They also carried a piano to the mission church at El Porvenir, Mexico.

Central Baptist Church became interested in the Fort Hancock church and the El Porvenir mission when they selected it for a mission trip during the summer. They conducted revivals and Bible School at both places.

Money for the piano was donated by a Paint Creek resident and the WMU of Cherry Heights Baptist Church in Clyde.

Materials which were taken for the remodeling were also donated.

CLYDE YOUTH CHOIR TO BE AT CENTRAL BAPTIST SUNDAY

The Youth Choir of Cherry Heights Baptist Church of Clyde will be here Sunday at the 6 p.m. worship service at Central Baptist Church and will present "Tell It Like It Is," under the direction of Mark Gilmore.

Rev. Glen Ward is pastor of the Clyde church.

Rev. Harold Fleming, local pastor, extends an open invitation to the public to attend the special service.
